

Landing page for the employee. They need to select Park and Ride to place their orders for the parking benefit.

The screenshot shows the 'PLACE COMMUTER ORDER' page. At the top left is the WageWorks logo. To its right is the logo for The Children's Hospital of Philadelphia with the tagline 'Hope lives here.'. On the top right, there are links for 'ALERTS & MESSAGES', 'PROFILE', 'HELP', and 'LOG OUT'. Below the header, there is a navigation bar with a 'BACK' button and the title 'PLACE COMMUTER ORDER', and the date 'June 16, 2015'. On the left side, there is a vertical menu with buttons for 'PROGRAM DETAILS', 'ABOUT THIS ACCOUNT', 'PLACE COMMUTER ORDER' (highlighted in blue), 'MODIFY OR CANCEL ORDER', and 'FORMS & DOCUMENTS'. The main content area contains three options, each with a blue arrow icon and a description: 'Commuter Transit' (If you use public transportation to commute to work), 'Commuter Vanpool' (If you use a Vanpool to commute to work), and 'Commuter Park and Ride' (If you park at a train station or bus stop that is part of your commute). A close button (X) is visible in the top right corner of the main content area.

After they click on park and ride the following screen will pop up. Depending on their home address and their work zip code (which is all populated on the eligibility files) the information below may be slightly different for each employee. They will select the one that they use to commute to work.
